

Wilmington Blue Rocks & IFS

2008 Outstanding Student Program

The Wilmington Blue Rocks Baseball Club and Insurance & Financial Services are proud to continue to feature the Outstanding Student Program. During these evenings, students from all over the region, including Delaware, Pennsylvania, New Jersey and Maryland will be honored for their achievements on the field before a Wilmington Blue Rocks baseball game. This program included participation from over 130 schools.

We are enthusiastically inviting your school to participate in this exciting event for the upcoming season. Teachers who participate in this program can choose their Outstanding Students on their very own criteria such as academic achievements, good behavior, community service, perfect attendance, etc. The number of students nominated should be reported to an appointed Outstanding Student Program Leader at the school (this can be any designated staff member) and then reported back to the Wilmington Blue Rocks. The Wilmington Blue Rocks will then send the appropriate number of congratulatory letters to the school, which should then be sent home with the students and given to parents/guardians.

Each honored student will receive a voucher good for a free box, reserved, or general admission ticket specifically for their school's designated game night. On the night of the event, students will be recognized on the field prior to the Wilmington Blue Rocks baseball game. After the ceremony, the students will receive a certificate and a voucher for a free hot dog and soda. Students are then encouraged to enjoy the rest of the game with their families.

If you would like your school to participate in this rewarding program, please contact the Blue Rocks community relations department by any one of the following methods:

Complete and mail this sheet to:	Wilmington Blue Rocks, Community Relations Department 801 South Madison Street Wilmington, DE 19801
Or email the pertinent info to:	communityrelations@bluerocks.com
Or complete and fax this sheet to:	302-888-2032 Attn: Community Relations
Or by phone:	302-888-2015 (ask for the Community Relations department)

Schools may sign up for '08 program on Feb. 6, 2008
